

# SQF Codebook

## CSG Justice Center Project

Mari Roberts

10/9/2020

## Data

**2006-2016 SQF data in CSV format:** [Download here](#)

**arrest.offenses.tsv:** List of arrestable offenses and their digit codes

**offense-codes.tsv:** List of offenses and their digit codes

## File Descriptions

**sqf\_analysis.R:** Builds found.weapon classifier with logistic regression, generates calibration plots.

**sqf\_import.R:** Imports, combines, cleans, and standardizes all years, and writes out one csv file stop-and-frisk csv data for years 2008-2016.

**sqf\_library.R:** Runs packages and custom functions needed in sqf\_import.R.

**sqf\_plots.R:** Creates data visualizations.

## Variable Names
